Sranan, Ndyuka, Saramaccan: Luke 15:8–9

English	Sranantongo	Ndyuka	Saramaccan
Now think about a woman who has ten valuable coins. She may lose one of them. What does she do then? She lights a lamp and she sweeps inside her house. She looks carefully until she finds the coin.	Efu wan uma abi tin solfrumoni, dan a lasi wan fu den, san a o du? A o leti wan lampu, sibi a oso, èn a o suku bun te leki a feni en.	We soseefi, efu wan uman abi tin solufu moni, ne wan kai lasi a ini en osu. Na leti a o leti faya e siibi a hii osu, e suku fu te a fende en baka, no?	Nöö söseei tu, ee wan mujëë abu teni kpëngëlë möni nöö hën wan u de lasi, nöö an o sëndë faja nöö a ta bai di wosu köniköni ta suku ën teefa a feni ën baka nöö?
Then she speaks to all her friends and to those that live near to her. She says to them, 'I have found the coin that I lost. So come to my house and we can all be happy together.'	Te a feni en, a o kari den kompe nanga den birtisma fu den kon, dan a o taigi den taki: 'Un prisiri nanga mi, bika mi feni a solfrumoni fu mi di ben lasi.'	Da, te a fenden en, da a o kai den mati fi en, da a taigi taki: 'U meke piisii anga mi. Bika wan solfu moni di ba lasi de, ma mi fende en baka.'	Nöö te a feni ën kaa, nöö a o kai dee maiti fëën ku dee sëmbë dë nëën bandja tuu ko. Nöö a o taki da de taa: 'Dee sëmbë o, mi bi abi teni kpëngëlë möni nöö wan u de bi lasi, hën mi ta suku ën tefa u dë aki hën mi feni ën. Nöö un ko wai mbei piizii ku mi makandi.'

Sranan, Saramaccan: Covid-19 Hand Hygiene

English	Sranantongo	Saramaccan
I wash my hands... do you too?	Mi e wasi mi anu... yu ooktu?	Mi ta wasi mi maun... i ta wasi maun tu o?
Wet your hands.	Nati yu anu.	Munjan I maun ku limbolimbo wata.
Then take a little soap.	Bakadati teki pikinso sopo.	Tei sopu.
Rub the two hands together.	Wrif'wrifi den tu ini makandra.	Gili maun dendu ku maun dendu.
Scrub the hands well also in between the fingers.	Wrif'wrifi den anu bun ooktu miendriesei fu den finga.	Lobi di sopu a ii maun ku de finga ku finga mindi fii.
Scrub your hands well, especially between the fingers.	Wrif'wrifi den finga fu yu inianu. No vergiti den nangra.	Gili ii leti maun së au töötö maun së liba. Tei kaba nööii gili di töötö maun së a di leti maun së.
Scrub your fingertips too. Don't forget your nails.	Wrifi nanga a bajasei fu yu finga ini yu ini anu, du disi nanga ala den tu anu.	Gili baka maun fii finga ai maun dendu. Du ën da hii de tu së maun.
Scrub the backs of your fingers by interlacing your hands.	Wrif'wrifi a leti any abra a kruktu doi. Kinki fu any dan du a srefi sani baka sa joe ben du.	Wasi ii leti gaan finga fii kuii töötö maun së, tei kaba nöö wasi di töötö gaan finga fii kuii lei maun së.
Scrub around your thumb, just as you did the rest of your hand.	Draai ding top fu yu finga lontoe ini yu ini anu, du disi nanga ala den tu anu.	Bia dee ginga fii lontu au maun dendu. Du ën da hii de tu së maun.
Rub the tips of your fingers in a circular motion on your palm, using both hands.	Wrif'wiri a leti anu lontua kruktu pols. Kenki fu anu en du a srefi sani baka.	Gili ii leti maun së au töötö akiiko maun, tei kaba noo gili di töötö maun së aii leti akiiki maun.
Rinse your hands with water.	Spuru yu anu nanga watra.	Sawa maun ku limbolimbo wata.

Dry your hands with a paper towel or clean cloth. A paper towel works best.	Drei yu anu nanga wan papira saka-anyusa noos wan duku. Ma a moro betre fu gebroiki wan papirasaka-anyisa/tissue.	Dëë ii maun ku wan pampia saka hangisa naso koosu saka hangisa, ma a bi oo möön bunu fii dëë maun ku di pampia saka hangisa.
Throw the paper towel into a waste bin. If you use a cloth, it must be washed after every use.	Trowen a papira saka-anyisa ini a dotikisi. Te yu gebroiki wan duku yu mudu kenki ing ibriwanten.	Tuwë ii pampia saka-hangisa a doti baki. Dii koosu saka hangisa i musu ta wasi hẅn solanga a sundju.
